Dear Hiring Manager,

I am excited to apply for the AI Engineer position at Chickasaw Nation Industries. Your work in professional services to federal and commercial customers. Company profits support programs and services for Chickasaw is especially compelling to me.

My background aligns with the practical responsibilities of this role. Cross-functional collaboration with product and engineering teams This evidence demonstrates a disciplined and practical approach that aligns with the collaborative technical responsibilities of the position.

Relevant skills: Python, REST APIs, RAG, Docker, prompt engineering, vector databases, pandas, NumPy

Thank you for considering my application. I look forward to the opportunity to contribute to Chickasaw Nation Industries.

Sincerely,

Mira Solenne
