Dear Hiring Manager,

I am excited to apply for the AI Engineer position at BlackLine. I am especially interested in this opportunity because the company description highlights the following focus: BlackLine provides cloud software that automates and controls accounting.

My background aligns well with this opportunity. One documented example from my background is the following: Cross-functional collaboration with product and engineering teams. This experience aligns well with the collaborative nature of the AI Engineer role at BlackLine.

Relevant skills: RAG, AWS, MLOps

Thank you for considering my application. I look forward to the opportunity to contribute to BlackLine's mission.

Sincerely,

Mira Solenne
