Dear Hiring Manager,

I am excited to apply for the AI Engineer position at BlackLine. I am especially interested in this opportunity because the company description highlights the following focus: BlackLine provides cloud software that automates and controls accounting.

My background aligns with the practical responsibilities of this role. One documented example from my background is the following: Cross-functional collaboration with product and engineering teams. My experience in translating requirements into deployable AI and machine learning features aligns well with BlackLine's goals.

Relevant skills: RAG, AWS, MLOps

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to BlackLine's success.

Sincerely,

Mira Solenne
